"Glow Worm"

Luminous protection wrap

Stands out in the dark with a phosphorescent glow to highlight cables, hoses, wires, poles or any linear object which needs to be seen in dark areas. The spiral wrap can be slipped over or wound onto guy wires, cables etc with ease, both protecting from abrasion & damage as well as providing identification in areas where there is no light. (outdoors at night or inside when the lights are out) OH&S applications. Sizes range from 9mm to 110mm I.D.

Use on

pipes
poles
air lines
guy wires
hand rails
electrical cables
sighting markers
hose assemblies
head high obstructions

adelaide belt & hose
