

Fire Sleeve

High-grade silicone rubber bonded
to braided fibreglass sleeving

adelaide
belt & hose

Protects continuously to
260 Deg C. And will
withstand molten splash
at 1200 Deg C.

Heat protection for hoses & cables
Thermal insulation for hoses & piping
Thermal protection against burns for employees
Abrasive protection for hoses and cables
Chemically resistant
Bundling of hoses, wires & cables
Flame resistant for a period of time
Protection against molten metal splash
